** There will be no fighting, alcohol or illegal drug use tolerated. No use of foul language, trash talking, arguing with track officers and fellow competitors. No unsportsmanlike conduct, yelling at turn-marshals or cheating. Foul language and bad attitudes will not be tolerated. Spectators and children can hear every word spoken.

Please, have the right attitude. This is a hobby and supposed to be FUN! No cursing or temper tantrums. We are a family friendly track.

** No children under the age of 12 years old are permitted to turn-marshal on the track.

** No littering, please clean-up after yourself as well as any trash in your immediate area. Leave the property better than you found it!

** If your car breaks during a race/qualifier please stop running and get it after the heat. This can become a hazard for current racers as well as impact the outcome of the race. The marshal's responsibility is to marshal, not repair cars during a race.

** Only drivers running their car, are allowed on any area of the driver's stand.

** Intentional crashing, "taking someone out " and/or horseplay will not be permitted.

If you observe unsafe activity of any type on the property, report it to a track official and it will be addressed. Safety is everyone's responsibility and should be taken seriously. We encourage and practice safe activity at our track. We expect everyone using the facility to do the same. We want everyone to have a great experience at Florian's World of R/C.**

**** RACE DAY- Please show up ready to race ! Please show up with your batteries charged, race car working properly & a tool kit. This will ensure you have fun while here. As more racers show up on race day every week we will not have time to wait for racers to fix their vehicles as we have to keep the race schedule moving. Don't be afraid to ask questions! We have a great group here who are always willing to help. ** Most important rule is to Have Fun !**
